Observations... From Around Town

(BY JAY WHOZIT)

We doubt that anyone can be so absent-minded as to forget that he or she must make an income tax return, but in case you have been busy doing other things and may not realize just how fast time is fleeting by, let us remind you that next **TUESDAY, MARCH 15TH** is the final date on which to file your 1948 income tax return without penalty, so get busy if you haven't already done so and file that return... also may we remind you that there is a notice being published elsewhere in this paper to the effect that March 31st is the last day on which you may file application for your state homestead exemption, both the county and city assessors are ready and willing at all times to assist you in making application... if you are a lover of gardens and rare and beautiful plants you have the chance of seeing one of the most beautiful gardens and country estate for miles around, on Saturday and Sunday of this week, when the James L. Crump garden and home, Holly-Bluff-on-the-Jordan, will be open to the public for the benefit of the American Red Cross Fund Drive, for the comparatively small admission fee of \$1.00... the state boxing tournament is being staged this week end, Thursday, Friday and Saturday nights at the Bay High Gym, with more than 65 boxers participating... the Stanislaus team is highly favored to cop the top laurels... work was begun this week on a new roof for the city hall, by the Southern Roofing and Siding Company, of this city, the contract price being in the neighborhood of \$1,600, the lowest of several bids... if you are a Stanislaus alumnus, you will want to attend the Midwinter Alumni Banquet, which will be held at the Roosevelt Hotel on Sunday evening, March 20th, seven o'clock... if interested, contact Brother Alexis... talk about civic pride and community spirit, well our town really has it, and you can take the word of John Bell for that... in the short time of approximately three weeks the sum of \$37,500.00 has been pledged for the building of a yacht club here in Bay St. Louis, and plans are being rushed for actual work on the building and yacht basin incidental thereto; our citizens are to be congratulated for their prompt display of civic pride... George F. Stevenson chairman of the Red Cross Drive says subscriptions are not coming in quite as fast as they should to meet the quota of \$4,054 in the designated time, so if you have not yet made your donation, be sure to bring or mail your check in at once... just contact the solicitor in your neighborhood... Rev. Giaruit Jones who was consecrated Episcopal Bishop of Louisiana on March 9th, was rector of Christ Episcopal Church here from 1934 to 1935... springtime is clean-up time—check those over-filled closets, get rid of unnecessary rubbish, it's a fire hazard. Clean up your yard, pull up weeds and cut the grass... beautify your own home and yard and you help to beautify your town... the new youth center and grounds will be open to the public for inspection on Monday, Tuesday and Wednesday, of next week, from 4 to 5 in the afternoon, so be sure to visit and see what has been done for your teen-age youngsters... can you think of a better way to combat juvenile delinquency?

S. J. A. PARENTS CLUB MET TUESDAY, MAR. 8

On Tuesday, March 8th, the S. J. A. Parents Club met in the school library.

Mrs. F. R. Curran, presiding, the meeting was called to order. Mother Blanche said the opening prayer. Twenty-one members were present.

The minutes of the previous meeting were read and accepted.

The report of the financial secretary was read. A report on the Carnival Ball was given.

Mrs. L. S. Elliott gave a report on her committee work.

A letter was read by Mrs. Luke Saucier from the South Miss. Volunteer Service Council asking that a representative be sent to the meeting at Biloxi on Friday.

A motion was made to give Mother Blanche a check from the proceeds of the Carnival Ball.

Mrs. H. B. Chapman received the prize of a beautiful potted plant donated by Mrs. J. Green and Mrs. L. Saucier.

Mrs. M. Garcia won the cash prize which was divided with the Club treasury.

The Juniors and Seniors merited the attendance prize.

Mother Blanches extended thanks to all who participated in the ball, which was most successful.

The meeting was closed with a prayer.

Stanislaus Alumni Banquet To Be Held At Hotel Roosevelt, Sunday, March 20th

A Record Turnout Is Expected For Midwinter Event, To
Be Held In Grand Ball Room

The Midwinter Alumni Banquet, begun last year under such favorable auspices that it was voted as an annual affair, will be held this year in the Grand Ball Room of the Hotel Roosevelt, on Sunday, March 20 at seven o'clock.

Invitations have been sent out, and from the number of responses already in the hands of Brother Alexis, the banquet should be well attended. If any Alumni members have failed to receive an invitation, let them please notify Brother Alexis at once. There will be several speakers, but the program will not be too long in order to permit members of the various classes to get together to recall old times, and to permit school day friendships to be renewed and deepened.

One or two propositions of importance will be presented for discussion. These should be of interest to each Alumnus and to the School.

Former teachers of Saint Stanislaus, former Coaches, past presidents of the Sidelines Club, and other friends of the school have been invited.

The following news item was in the Times Picayune of Saturday, March 5th, under the heading of "Viewing The News" by Wm. McG. Keefe, sports editor:

Last year the late Brother Peter called for a gathering of alumni of St. Stanislaus college of Bay St. Louis for the purpose of lending their moral support to St. Stanislaus' fight to come out of the ruins of a tropical hurricane. No meeting ever held in the South brought out a crowd as enthusiastic or as willing to help St. Stanislaus get back on its feet.

Another meeting of "Rockachaw" alumni has been called. Brother Alexis, President of St. Stanislaus, has set March 20 as the date for a monster alumni meeting to be held at the Roosevelt Hotel. Scores of St. Stanislaus alumni who were unable to attend last year's gathering have been urging Brother Alexis to call another meeting to discuss plans for perpetuating either the new steel pier or some other project as a monument to Bro. Peter, beloved leader who for so many years fought to lift the name of St. Stanislaus high in the educational, character-building and athletic worlds.

An even larger attendance is expected this year, as all who were at last year's meeting will want to be on hand again. Every effort is being made to have the Most Reverend Leo F. Fahey, coadjutor bishop of Baker City, Ore., (class of 1914) attend and be the principal speaker.

Any St. Stanislaus alumni who wish to learn more about the meeting and make hotel and plate reservations should contact Brother Alexis at St. Stanislaus, Bay St. Louis. The Brothers at St. Stanislaus are sending out an alumni directory to all former St. Stanislaus men and preparations are being made to entertain a huge crowd at the Bay both before and after the March 20 meeting.

Great Strides Made In Teenage Program In Bay St. Louis

The people of our city should be proud of the new recreation set-up for their children.

Just two years ago this program came to life on a vacant lot on north Carroll Avenue. At the first meeting, twelve boys were present, but by the end of the summer there were more than forty boys in this group. Last summer the problem began with forty boys and by the end of the summer there were more than 100 boys playing ball, playing games and swimming. The age of these boys ranged between six and thirteen years of age. At this time nothing had been done about our girls, and older boys and girls.

Something had to be done for them, and something was done. In June 1948 a Teen-Age Club was organized, for these forgotten boys and girls. At the initial meeting some twenty-three boys and girls were present, and by the end of the summer this number grew to over one hundred and eighty members. Parties of various kinds, dances were enjoyed very much until about October. Club meetings were discontinued as Bay High Gym floor had to be resanded and waxed for basketball season. Again something had to be done, and something was done for the youth of our city who deserve so much more than was given them. In other cities

MARCH MEETING OF PARENT-TEACHERS HELD TUESDAY

The Central School P-T. A. held its March meeting on Tuesday afternoon in the music room of the school with a large number of mothers attending. The sixth grade won the attendance award.

Reports were heard from Mrs. Coline Ashcraft on the matter of additional benches for the yard. Mrs. Ashcraft said she would have definite information on the cost and would submit it at the April meeting.

Mrs. C. J. Van Trier read a copy of the letter to be sent to legislators concerning Federal Aid for schools.

Mrs. George Horton reported on the P-T. A. Mardi Gras celebration and expressed appreciation to the teachers and mothers for their cooperation. A rising vote of thanks was extended to Mrs. Horton for directing the parade and making the whole carnival possible.

Mrs. J. E. Erwin, program chairman announced that the regular program would be dispensed with because the group would visit the new Youth Center which has just been completed.

Mrs. A. J. Noto, president, named the following committees: Nominating—Mrs. Dennis Tonkel, Mrs. J. D. Vaughn, Mrs. George Horton; Shelter for bicycles committee: Mrs. Celine Ashcraft, Mrs. B. F. Floyd and Mrs. Sam Whitfield.

A motion was made and unanimously carried to donate to J. B. Burrow \$100 for furniture for the youth center. A check for \$25 was given the boys in the band for sweat-shirts.

At the close of the business session Mr. Burrow took the group to the new youth center which has been completed and which will be open to the public on Sunday, Monday and Tuesday of next week from 4 to 5 p. m. At this time Mr. Burrow will answer all and any questions concerning the rules and regulations of the Teenage Club.

Prayer Service At First Baptist Church

The Week of Prayer for Home Missions service was held on Tuesday afternoon in the Sunday School Room of the First Baptist Church, with Mrs. Wilson Webb, president of the Womens Missionary Society in charge of the program. The general theme of the service was "Committed to Us."

The meeting was opened with prayer by Miss Sallie Pearson and the different points of the study were given by Mrs. A. H. Gregory who discussed "Spanish-Mexicans and Spanish-Americans"; Mrs. Lotie Berengier talked on "Spanish Speaking People"; Mrs. R. C. Tomlinson's subject was "The First Americans—The Indian"; Mrs. David Middleton discussed "Industrial Groups" and "Good Will Centers"; Miss Pearson had for her discussion "Meet the Migrants."

\$37,500 NOW PLEDGED FOR YACHT CLUB

At a meeting of the temporary committee, in charge of raising necessary funds for the reestablishment of the Bay-Waveland Yacht Club held on Tuesday night of this week, Mr. John Bell, chairman, reported that total pledges have reached the sum of \$37,500.00. The site has been selected and secured by a down payment. The committee now awaits the acceptance of plans and when this has been cleared, bids will be passed on and work begun.

Anyone wishing to pledge any amount may call Mr. John Bell, committee chairman, at 193-W.

HANCOCK COUNTY SOIL CONSERVATION DISTRICT ELECTION MARCH 19TH

A county wide Soil Conservation election will be held March 19th according to Otto Rester, Chairman of the Hancock County Soil Conservation District Commissioners. The object of the election is to elect three Commissioners to fill the vacancy caused by the terms expiring of 3 of the present members. The old Commissioners can be re-elected or new ones elected, which ever is the wish of the voters of Hancock County. Any farmer of Hancock County, provided he is a land-owner is eligible to vote. The term land-owner covers any one out side the corporate limits of Bay St. Louis, or any town in Hancock County.

The election will be conducted by two people at each box who will be classed as "election judges." The hours will be from 8:00 a. m. to 5:00 p. m.

The voters will vote for the three of their choice on the ballot, then after the ballots have been counted and all votes tabulated, the 3 receiving the highest number of votes from the County-at-large will be declared the winners. The three who are declared winners will then serve as Commissioners of the Hancock County Soil Conservation District for a period of three years.

Voting places are as follows, Lakeshore school, Bay St. Louis, (County Agent's office), Logtown School, Kiln School, Aaron Academy School, Flat Top School, Catfish School, Leetown School, Dedaux School, Sellers School and Standard at (Curvis Ladner's Store).

Each landowner is urged to vote on March 19th between the election hours from 8:00 A. M. to 5:00 p. m.

Rev. Charles R. Johnson Addresses Rotary Club

Rev. Charles R. Johnson addressed the Bay St. Louis Rotary Club at its regular luncheon at Hotel Reed on Wednesday.

Mr. Johnson used as his topic, "Our Own Country" and said "The greatest danger to our Country is from within. Our natural wealth of great resources," he said, "is not enough to assure perpetuation of our great country without Christianity. Democracy and Religion run parallel and the need for religion and its government was recognized by our great presidents."

Continuing, Mr. Johnson referred to Washington's Farewell Address in which he said, "Pay constant and reverent attention to the worship of God"; Lincoln's Gettysburg address where he said, "This nation under God shall have a new birth of Freedom"; Woodrow Wilson, when he said, "This civilization cannot survive materially unless it is redeemed spiritually. It can be saved only by becoming permeated with the spirit of Christ and being made free and happy from the practices which spring from that spirit. Only thus can discontent be driven out and the shadow lifted from the road that lies ahead."

Local Ladies Attend Coaching Day Courses

Miss Florence Dixon, Mesdames James Reeder, H. S. Register, C. C. McDonald, N. C. Erwin, F. J. Nelson, J. S. Mauffray and J. H. Tabb, attended Coaching Day at the Seashore Camp Grounds in Biloxi, on Tuesday.

Coaching Day is for the purpose of instructing leaders for the next two courses to be conducted by the Womens Society of Christian Service, of the Methodist church.

The first course, "The Bible and Human Rights" was presented by Mrs. W. H. Weathersby of Hattiesburg and the second course "China in Asia" was presented by Mrs. R. R. Priddy of Jackson.

Chamber Of Commerce Meeting Held Tuesday Night; Good Attendance

The Hancock County Chamber of Commerce met on Tuesday night with a good attendance. The meeting was spirited and interesting and the members considered that much had been accomplished.

Topics for discussion were the Red Cross Fund Drive, the proposed Yacht Club and the Garden Pilgrimage of the Gulf Coast Council of Garden Clubs which is set for April 17.

President, T. T. Robin reported an invitation had been extended the Chamber of Commerce by Mrs. Norton Haas to attend the State convention of Mississippi Public Welfare workers which will be in session March 15, 16 and 17 at the Buena Vista Hotel at Biloxi.

August Scaffidi announced that the organized Reserve Corps has leased their building no Second Street (The Woodman Hall) effective April first to be used as a training center for Amphibious units of the United States Reserve Army.

Radios and Newspapers will give notice when organization is begun. Great benefit is expected from this unit being in Bay St. Louis.

Reports were heard that in January and February 26 building permits had been issued in the city at a cost of upward from \$40,000 for building and repair.

Dr. M. J. Wolfe appeared before the meeting with an appeal for added funds for the maintenance of the Kings Daughters and Sons Hospital, explaining that the hospital is greatly in need of financial assistance.

Mr. Orte, Supervisor, Beat 5, and W. J. Carver, Mayor, advised that some immediate assistance would be given by county and city.

Mr. Orte was asked for a report on the Beach Road and advised the group that much repair-work was being done of the concrete road and said that the survey authorized by the Board of Supervisors was nearing completion.

J. R. Rollins, engineer, displayed and explained some of the work sheets showing just how much had been accomplished in this line. Mr. Orte said that it would take the combined efforts of the city and county governments to make the necessary repairs and new construction on the damaged area in Bay St. Louis. All members present entered into the discussion of our road project commenting on the dire necessity of this work being completed at the earliest possible time.

It was reported that several new building projects are going forward: Di Benedetto's Radio Service; Dickson's Drug Store; Orr's Welding and Machine Shop and the new combined Service Station and Tourist and Trailer Court erected by Scaffidi Brothers.

Charles Flink called the attention of the members to the Praline Industry which he said is growing rapidly and is one of the best mediums of advertising throughout the Nation for Bay St. Louis.

Mr. Robin gave some of the more important facts and figures about Hancock County which will be incorporated into the map and informative pamphlet which the Chamber of Commerce is having printed in the hope of satisfying the many requests received by the organization for information about "the best place on earth to live."

At the close of the meeting Mr.

Stanislaus Flea-Fly Team Awarded Jackets For Prowess In Birmingham Toy Bowl

44 Young Gridders Receive Awards in Simple Ceremony

Forty-four young gridders, members of the Flea-Fly team which journeyed to Birmingham to play the Flea-Fly champions of that city last November 6, were awarded jackets for the winning of that game by a score of 37-26.

In the presence of members of the families of the boys, the jackets were given out by Bro. Briant and Coach Richard Thames, who were in charge of the little teams. Mr. Harold B. Weston was the chairman of the affair, and in his opening address he reviewed the history of the Birmingham Toy Bowl and the part that Stanislaus has played in it. He then gave a brief resume of the game played last November 6. Brother Alexis spoke a few words of welcome. Refreshments were served to the team and to the members of their families present.

The jackets are of scarlet satin twill, trimmed in black. Over the heart is an oval containing the words BIRMINGHAM TOY BOWL

VISIT HOLLY-BLUFF-ON- THE JORDAN AND HELP THE RED CROSS

These bright spring-like days lure people to the country where they may enjoy real beauty, and when the opportunity of doing this is for the benefit of the Red Cross, it becomes a must on your calendar of dates.

On Saturday and Sunday, March 12 and 13, from 1 p. m. to 6 p. m. Holly-Bluff-on-the-Jordan, the beautiful home and gardens of the J. L. Crumps, will be open to the public for a charge of \$1.00 for the benefit of the Hancock County Red Cross drive for funds.

At no time in the history of the county has there been more reason to respond to the call of the Red Cross than just now. And why? Check back a little and remember what the RED CROSS did for the hurricane sufferers in 1947, and then GIVE and GIVE until you are sure you have in some measure seized the opportunity offered you to do something for the Red Cross.

Remember the dates—Saturday and Sunday, March 12 and 13 from 1 to 6 p. m. Coffee will be served complimentary after the gardens have been viewed.

Garden Club Annual Flower Show, Apr. 23-24

The Bay-Waveland Garden Club will hold its annual Flower Show in the Bay High Gymnasium on Saturday and Sunday, April 23 and 24. The public is invited to visit and enter their exhibits.

Please keep those dates in mind and cooperate with the garden club in making the Flower Show a success.

State Boxing Tournament Started Thursday In Bay High Gym

The State High School Boxing Tournament started Thursday, March 10 in Bay High School gym, and continues through Saturday night.

At the time of this writing the boxers had not registered and weighed in, but between 65 and 70 hopefuls are expected from the six schools. Schools represented are St. Stanislaus, Bay Hi. Belzoni, Demonstration, Brooklyn, A. H. S. and G. C. M. A.

Fights will start at 8 p. m. with from 15 to 18 fights on Thursday and Friday nights and 15 in the Saturday night finals.

Prices for each session except the finals are 65 cents for adults and 35 cents for students. Admission for the finals is 75 cents and 40 cents.

J. B. Burrow invited the group to visit the recently completed Youth Center. They were loud in praise of the beautiful building and in the splendid spirit shown by Mr. Burrow and others in promoting this of this teen-age project.

The building is indeed a credit to the city and will stand for generations as an emblem of what good citizenship can do.

OUR TOWN

By WARREN J. CARVER

So that those interested shall not forget, this is a reminder that Friday night, March 11, 1949, at 8 o'clock P. M., a meeting will be held at the Courthouse for the purpose of organizing a volunteer fire department for Bay St. Louis. There is a possibility of our having a course of instruction in fire fighting and the use of fire fighting apparatus held during the week of March 14 through March 18. The school will be carried on under the direction of Mr. C. H. Whitaker of the State Vocational Board, Jackson, Mississippi. It is hoped that as usual the people of Bay St. Louis will respond wholeheartedly to this very worthwhile project.

The report of the auditing firm of Taylor, Powell, Wilson and Hartford of Jackson, Mississippi, has not yet been received. It is believed that as is the case with all such firms at this time of the year, clients with more urgent and pressing business—income tax—are no doubt being given, justifiable preference. The report will probably be submitted soon after March 15th.

On January 24, 1949, the Police Department made their first traffic violation arrest. On February 25, 1949—thirty-three days later the mayor turned in to the Commissioner of Finance the sum of \$65.00 in traffic fines. For other fines, such as drunkenness and disturbing the peace, the sum of \$10.00 was collected, making a total of \$75.00 in revenue resulting from fines.

Number of man-days of work from which the City benefited as a result of jail sentences amounted to five. This seems like a pitiable showing for our police department but the fact that the jail was not in usable condition until the latter part of February accounts for the small number of prison days served.

Due to the volume of work encountered by the Administration since January 3 last, it has been impossible to submit a general operating statement for the months of January and February, 1949. However, it is hoped that probably within the next two or three weeks a statement of operations for the City fund accounts will be made available to the public. When this report is compiled, it will be published in the Echo.

Contract for the new roof on the City Hall was let Monday morning March 7, 1949, to the firm of the Southern Roofing and Siding Company who are located at Railroad Avenue in Bay St. Louis. Specifications called for solid sheathing, covered with two layers of 15-pound sac asphalt saturated felt; copper anode strip at all roof edges, copper valleys and copper flashings, and guttering and downspouts; and asbestos shingles, Ruberoid brand or equal. The cupola will be properly repaired and painted.

Bid of the Southern Roofing and Siding Company was \$1,646.10. Highest of the five bids submitted was \$2,200.00.

AMERICAN LEGION NEWS

COURTESY TO OUR FLAG

In the recent Carnival parade, the United States Flag and the American Legion, with its Color Guard took part. It was noted during the parade route, that the general public are very lax in their courtesy to our flag. Perhaps some do not know the respect and courtesy due our Great American Flag. Perhaps if we gave some thought to what it stands for, we would therefore not be so lax in our respect.

Men and women by the thousands have fought and died for a piece of cloth colored Red and White with the 48 Stars in the upper left hand corner. They did this because they loved and respected the Flag and all that it stands for. To most countries it is just a piece of cloth with different colors and insignias on it. To US, it means, Freedom, Democracy, Faith and Courage. It means all that we are and hope to be. It means that above all, next to our Creator, it is the thing dearest to our hearts. Therefore it should receive the proper respect due it.

It was noticed in the course of the parade that few people paid the proper respect to the Flag. We noticed that only four white people and four negroes saluted the Flag. There may have been a few more that we did not see, but the number that just stood there, set in parked automobiles or on the front porches greatly outnumbered those that did salute. The proper procedure for this is as follows: If you are in Uniform, you should render the hand salute. If you are a civilian (male) you should take off your hat and place it over your heart, if you are not wearing a hat, you should stand at attention. This also goes for the ladies. If you are in an automobile, you should alight from the vehicle and do the same courtesy as if you were walking. If you are on your procs, you should stand and give the

Congressional Sidelights by Congressman Wm. M. Colmer

One of the first acts of the new Administration was to cripple the Committee on Rules in the House by taking away from it the power to bottle up, in that Committee, legislation of a radical nature which had been reported out of other committees. Of course, most of us in the House realized that this was to clear the way for the enactment of the President's Civil Rights Program and other similar measures. Thus, the one safeguard, under the rules of procedure in the House, against this type of legislation was cleared with one felled stroke.

In commenting on that action in this column a few days thereafter, we pointed out that the next step would be to abolish the rule of unlimited debate which prevailed in the Senate. That if this movement succeeded, the Civil Rights Program

and other measures inimical not only to the South but to the rest of the nation, would be enacted. The movement to complete the Administration's Program by abolishing the filibuster is now in full swing in the Senate. The full weight of President Truman, fresh from his victory at the polls last November, and his liberal advisors and Government Bureaucrats, is behind the movement. When the debate started, the Administration did not have the votes in the Senate to win. Whether it will have them when the issue is forced to a vote remains to be seen. In the meantime, every possible string and every conceivable pressure that the Executive Department, the bureaucrats, the big labor leaders, the National Association for the Advancement of Colored People, and other reformers can bring to bear is being brought to bear on the doubtful senators from those sections of the country other than from the South. This accounts for the lack of haste on the part of the Administration leaders in the Senate to force the issue. The whole matter involved will be decided upon by the ruling of Vice President Barkley, the presiding officer of the Senate, on a motion to take up the resolution changing the rules of the Senate. Heretofore all rulings by the presiding officer of the Senate, have been to the effect that a motion to shut off debate would not prevail on the motion to take up a bill or resolution, but must be considered on the bill or the resolution itself. Senator Vandenberg, Republican of Michigan, when he was President pro tem of the Senate last year, so ruled, but it is generally conceded that Vice President Barkley, who, of course was elected on the Truman ticket, will rule differently. Should Mr. Barkley reverse the ruling of Vandenberg, and others, an appeal will be made from the ruling of the Chair. If a majority sustain the Chair, the resolution limiting debates will then be taken up. Again, it is generally conceded that there will be enough Northern Democrats and Republicans to vote for the change in the rules. In this matter of sustaining the chair, the Republicans are really on the spot. They would like to sustain the Vandenberg ruling, but at the same time they realize that this will be considered as a vote against the Civil Rights Program at which the whole thing is aimed.

The News of the Little Theatre

CAST ANNOUNCED FOR "TEN LITTLE INDIANS"

"Ten Little Indians," the opening play of the Little Theatre's 1949 season, will have a cast composed of the following. Lt. Biaggia Cozzentino and Lt. Lee Pearson of the Merchant Marine School at Henderson Point; Mrs. Joseph Santon, Mrs. Kenneth Geary, and Benjamin Van Hook of Pass Christian; and Mrs. Roy Chrasul and messrs. N. L. Carter, Henry Chapman, Dominic di Benedetto, Philip Anson, and Roy Chrasul of Bay St. Louis and Waveland. The play is being directed by Lt. William Freeman of the Merchant Marine School and its stage setting is being done by William Smith of Waveland, with the assistance of Mrs. J. J. Kelleher and Mrs. A. O. Hoeford of Bay St. Louis in obtaining properties.

As any reader of mystery stories knows, Agatha Christie ranks up among the very top among writers of detective fiction, and in "Ten Little Indians," sometimes called "And Then There Were None," she has spun such an absorbing yarn that her story has been adapted with great success to both the stage and the screen. The date of its presentation at your Little Theatre will be March 31st and April 1st and 2nd. Make your plans now to attend!

BAY HIGH COACHES TO ATTEND COACHING SCHOOL

New Orleans, March 5th—Two coaches of Bay St. Louis High School at Bay St. Louis, Miss., will attend the second annual Tulane football coaching school at New Orleans, March 17-19, Tulane Coach Henry Friska said today.

Attending will be Coaches Ellis Guillory and Norman Hall of Bay St. Louis. Guest lecturers for the school will include Jeff Cravath of Southern California, George Barclay of Washington and Lee, Walter Milligan of Pittsburg, and Ray Morrison of Austin College, Sherman, Texas; R. S. Killen, head coach at Lake Charles La. High School and Buck Seeber, head coach at Fortier High School, New Orleans, will describe their preparations for the state high school football championship game in 1948.

Cravath will join with members of the Tulane staff in giving pointers on the "T" formation. Barclay will present the lectures on the split "T." Milligan the single wing with unbalanced line and Morrison will discuss passing attacks.

The clinic will be climaxed with the second annual Blue-Green game between prospects for the 1949 Tulane Green Wave. The game will also conclude the Wave's spring training season.

News Of Our Colored People

GENEVIEVE HARRISON, REPORTER

ST. ROSE DE LIMA SILVER ANNIVERSARY

On Sunday, March 6th, St. Rose de Lima School celebrated its silver jubilee with a parade that was led by the Chief of Police in his new car, the band, resplendent in their new capes and caps, played lively tunes as the two gaily decorated floats passed in review. The first float was a throne with the king dressed in his regal robes and the queen and her court dressed in the height of fashion was a splendid sight to behold. Following the floats were the entire school and ex-graduates with various colors of shoulder bands and a large number of cars.

After winding its way through a few blocks, the parade returned to the auditorium where a program sponsored by the P. T. A. was rendered. The royal entourage was given seats of honor on the stage that was beautifully decorated. Ex-graduates made the program a grand success with the rendition of welcome address, history of the school, solos and musical selections. A high feature was a recitation by five year old Dianne Fairconnetue. Prof. William Isheim was given an ovation as he completed his wonderful address. Father Clarence Howard, S. V. D., held the audience spellbound as he addressed them with silver tongued oratory. Rev. Mother Blanche of St. Joseph Academy gave a reminiscence of old St. Rose School when in charge of the Sisters of St. Joseph and received a round of applause. Honorable Mayor Warren J. Carver gave a short and snappy talk that was well received. St. Rose de Lima of Holy Family Convent gave an impromptu talk and was given a glad hand. With the rendition of the Negro Anthem, National Anthem and Holy God, We Praise Thy Name and Father Kinder at the keyboard, it brought to a close a day that will linger in the memory of all who were fortunate to be present.

Mr. and Mrs. Clement J. Hazeur were the recipients of a brief visit of their daughter, Sr. Rose de Lima, who attended the silver jubilee of her Alma Mater on Sunday, March 6th. Accompanying Sr. Rose were Mrs. Fidelis and Angel Raphael and Mrs. Frances Gardette, Mrs. Alma Guidry and Mr. Lyons all of Baton Rouge, La.

Miss Javetta Vigne of New Orleans and her cousins Mrs. Alfred Raboteau, Jr., were visitors in the

home of Mrs. Raboteau, Sr., in St. John St. Mr. and Mrs. Alfred Raboteau, Jr., are making their home in Milwaukee, Wisconsin, and report that they like it very much.

Mrs. Alfred Raboteau, Sr., has as her house guest this week her aunt Mrs. Vivian Hurst of Sacramento, Calif. and her three cousins Mrs. Ruth F. Ewell, Mrs. Robbie T. Jones, of Chicago and Mrs. Hattie Nash of New Orleans.

After visiting friends and relatives here and enjoying the carnival festivities in New Orleans, Mrs. P. Q. Yancey and her three young sons left for their home in Atlanta, Ga., last week.

Playing in the Gulf Coast Conference Tournament the Bay St. Louis High School Basketball teams failed to reach top honor, but some stayed in a while before they were eliminated. Valena C. Jones girls teams were eliminated by their neighbor school St. Rose. Valena C. Jones boys by Our Mother of Sorrow High School of Biloxi.

St. Rose girls shoved Biloxi High School out of place before they were taken out by Ocean Springs girls, the Gulf Coast Champions. St. Rose boys won a game defeating Biloxi High School before they were called down by 33rd. Ave High School of Gulfport. Teams winning the trophies were O. M. S. boys with 33rd.

Ave High School of Gulfport in second place. Ocean Springs girls holders of the trophy for the fifth year, with Randolph High School of Pass Christian in second place. A large crowd from the gulf coast packed St. Theresa's gymnasium in Gulfport to witness these games on both days.

The property of Mrs. J. T. Prichard known as "Twin Oaks" has been sold to Dr. J. L. Locasio of New Orleans.

Mr. and Mrs. Beverly Glass spent the week end at their home on the beach.

Mr. and Mrs. Harold Katoff were over for the week end.

The many little friends of Patsy Noonan will be glad to know that she is well enough to be home again and is getting along just fine.

Mrs. Amelia Noonan mother of Mr. Dick Noonan has returned to her home in Lonedell, Missouri. She spent several weeks here to be with the Noonan children, while their mother stayed at the hospital with Patsy.

The sympathy of the entire community is extended to the family of Mrs. Margaret Favre who passed away on Thursday at eleven p. m. in New Orleans at Touro Infirmary. She was a native of Dublin, Ireland, but lived here for 30 years.

She was the wife of the late Alcide Favre and is survived by a daughter Mrs. L. Delcuz and two grandchildren. The funeral was held in New Orleans. Interment was in Metairie Cemetery.

Congratulations to Mr. and Mrs. Roland Lafontaine who are the proud parents of a fine baby boy, born at Kings Daughters Hospital on Friday.

Mrs. Lafontaine is the former Miss Shirley Ladner, daughter of Mayor and Mrs. Garfield Ladner.

4-H CLUB NEWS

Observance of National 4-H Club Week, March 5-13 include active participation by County Home Demonstration Council, member of the Adult Leaders Organization and Home Demonstration members in general.

"Better Living for a Better World" is the theme emphasized during the week in program given by members and ladies in the state's 3,440 community 4-H Clubs.

The production programs, leadership training activities, contests and improved practices followed by 4-H Club members are contributing toward better homes, communities, nation and the world, stated H. S. Johnson, state 4-H Club Leader. Busy hands and busy minds, as indicated by 4-H achievements, lead to good citizenship.

Achievements by 4-H Club members in Mississippi during 1948 include 35,941 girls making 140,151 garments and remodeling 65,094 garments, 33,776 members making fire and accident surveys and removing hazards and 28,773 members receiving training in health improvements.

Other projects resulted in producing a total of 5,428 acres in home gardens, 20,720 meat animals, 3,547 dairy animals, 474,496 head of poultry and 8,720 acres in cotton. Members planted 917,000 pine seedlings and supervised 1,428 acres in woodland management. Food products resulted in members canning 1,423,370 quarts of meats, fruits and vegetables.

Development of personality and character is as much a part of the 4-H program and production and conservation projects.

A total of 50,511 members attended 4-H Club rallies in 63 counties. Camps for 4-H members held by 71 counties had a total attendance of 10,747 members.

Members participating in team demonstrations numbered 35,614 while 27,371 took part in judging contests. Several Mississippi 4-H members won sectional and national honors in contests during 1948.

Besides reviewing past achievements, members and leaders will during the week meet to plan programs for future progress.

FORWARD, MARCH!

• March is here again, the month that heralds spring—and spring housecleaning!

• In Grandma's day, housecleaning—and housekeeping, too—meant endless rounds of back-breaking drudgery. But today, millions of wise homemakers call on electric service to take the work out of housework—to cook and clean, wash and iron, sweep and sew.

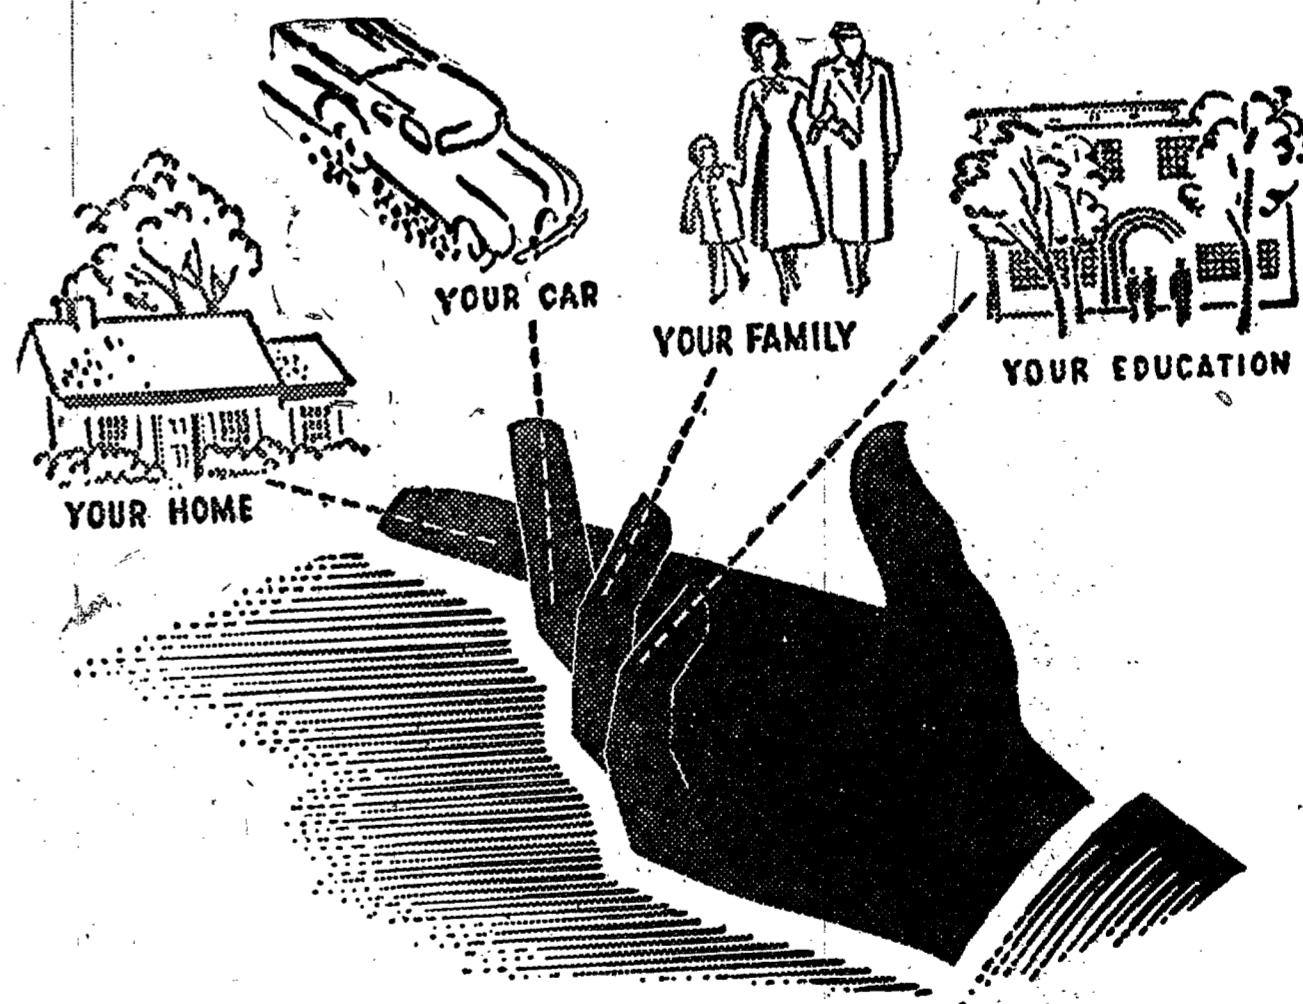

• For less than you'd pay for a daily pack of cigarettes, electricity makes life easier, healthier, more comfortable. What other item in your family budget gives you such great living value—at such little cost?

COUNTY AGENT NOTES

Interest in sheep is increasing in Mississippi, and the future for sheep looks good for several years to come, according to E. E. Grissom, associate Extension animal husbandman.

Sheep are especially well adapted to small farms with limited acreage. This is an excellent project for 4-H Club members.

Last year, 5,070 head of lambs and sheep were sold through six pools for over \$82,500. Wool worth \$43,000 was sold through 4 wool pools.

The income from sheep last year practically doubled that of 1947. The future looks good for the sheep enterprise because numbers are now the lowest in 33 years. The southeastern area is one of the good sections for expansion.

Replacement ewes can apparently be secured in uniform numbers only from the western part of the county.

Animal husbandmen at State College recently contacted several handlers of western replacement ewes for approximately June 1 shipment. The supply of ewes is limited.

Farmers interested in securing ewes should contact the county agent at once, and he will pass requests on to State College.

While sheep definitely have a place on many Mississippi farms, there is a tendency on the part of some producers to try lamb production without a definite program and proper management.

Lambs are late in many instances this season, and too high a percentage of hte lambs is being lost because of insufficient attention at lambing time. The lamb crop is an important harvest and every saved, if a good type and quality, when finished will amount to approximately \$25.00.

If ample grazing is not available, it is recommended that ewes be fed grain and possibly good hay, and that lambs be provided with a creep. It might be available to creep-fed most lambs this year, as the price ratio between lambs and grain looks favorable.

Control of both internal and external parasites is important. A mixture of one part phenothiazine to nine parts salt should be kept before the entire flock at all times.

Dates for lamb and wool pools have not been set. Plans will be made to serve largest possible number of producers. In the past, lamb pools have been held at Macon, Greenville, Jackson and Natchez. Wool pools have been held in Columbus, Jackson, Greenville and Natchez.

The annual ram sale will be held at State College early in June.

CLOVER TIME

The ground will look green before clovers are tall enough to graze, cautions W. R. Thompson, associate Extension agronomist. Graze when the clover reaches four inches high.

Young clovers are damaged by grazing too quickly. Farmers may be disappointed by low milk production and poorer cattle if grazing is on green looking clover which is not yet high enough for cattle to be on it.

Clovers which are making poor

growth lack one or more minerals. It is best to apply minerals in the fall, disk them into the soil.

Apply phosphate and potash while the plants are dry, and be certain all lumps of the minerals are crushed fine. Minerals can be applied with whirling type, box type, power spreader or truck.

Spreading with a wagon spreader is good but slow. If minerals are dry and not lumpy, a cyclone seeder can be used to put them on gullied areas.

Drag a spike tooth harrow to scatter manure on clover fields. Cows will then graze without leaving clumps. The clumps appear when the grass and clover are too high in some elements.

In 25 years the Naval Air Reserve has grown from one base with one seaplane to 27 air stations and 34 Satellite units.

"Peck" Crowley was "besting" the "other day" about all that Our Town's doing in the way of sending food and clothes to Europe. "Peck" felt that those struggling democracies should look after themselves. But most agreed with Judge Cunningham who said: "So long as any family or individual in Europe is helping hold the line for freedom—against the forces of intolerance—it's common sense, and common decency, to help 'em."

Because that's everybody's fight: To see that individual freedom is preserved in every aspect, big or little—whether it's the right to vote, or the right to enjoy a temperate glass of beer or ale with friends.

And from where I sit, no liberty's too small to overlook. Because the minute one small freedom is threatened, all the others are in jeopardy—just as the minute one small country loses freedom, all its neighbors are in danger!

State Social Workers To Meet In Biloxi

State Social Workers and persons in allied fields will gather at the Buena Vista Hotel in Biloxi on March 16, 17 and 18 for the 22nd annual meeting of the Mississippi Conference of Social Work. This year's conference will have several outstanding features. Among them is the series of three pre-conference institutions to be held on March 16 beginning at 10:00 a. m.

Dr. Grace A. Browning, Director, School of Social Work, Indiana University, is to conduct an institute on Case Work in Public Assistance.

Dr. Browning is an authority in the field of family and public welfare.

Dr. Susanne Schaefer, Professor, University of Chicago, will direct an institute in the field of child welfare.

Dr. Schulze has taught in a number of schools of social work and has made many contributions to progress in child welfare.

The third institute will be conducted by Leon Ferber, Psychiatrist, at Vanderbilt University. His subject will be "Emotional Growth and Change in the Individual." In addition to his work at Vanderbilt, Dr. Ferber lectures at the Nashville School of Social Work.

Announcements regarding the general program will be made later.

Those planning to attend the meeting are urged to send registration fees

Record Enrollment At Ole Miss.

University, Miss., March 5—Another Centennial year record has been made at the University of Mississippi with the enrollment of 3296 students for the second semester.

In announcing this total, Dr. A. J. Lawrence registrar, points out that it exceeds by 350 the figure of 2946 for last year at this time. There are 177 less students this semester than the 3473 enrolled for the first semester, but such a decrease is customary, Dr. Lawrence said.

The university has passed its peak with 47.8 percent, or 1577 of the total this spring, being former GI's of veteran enrollment this semester. For the first semester 49.98 per cent of the student body were veterans.

By sex, comparative totals show a ratio of about 3 1/2 to 1 according to the registrar's tabulations. There are 2588 men and 708 women taking university courses.

The College of Liberal Arts leads the academic divisions with 696 students. Other figures by schools are: commerce, 850; education, 390; pharmacy, 290; law, 229; engineering, 224; graduate, 191; and medicine, 119.

Louisiana Death Bonus Forms Now Available

Forms are now available from the State Veterans Affairs Commission to be used by certain relatives of deceased Louisiana veterans of World War II, applying for the Louisiana state bonus, according to a statement from Robert Dekay, Service Commissioner.

Under the provisions of the Louisiana Bonus Act a lump sum payment of \$1,000 is provided for certain relatives of Louisiana service men who died while serving in the armed forces between January 1, 1941 and March 1, 1946. If the veteran died after discharge and before December 1, 1949 as a result of injuries or wounds or disease incurred while in the armed forces, the same benefit is payable. The veteran must have been a citizen of Louisiana when inducted into active duty.

This \$1,000 death bonus is payable only to the unmarried widow, the child or children under 16 years of age of the veteran or to the surviving dependent parent or parents of the veteran in the order given. No other relatives of the deceased veteran are entitled to this death bonus.

Requests for the application forms by eligible relatives now residing in Mississippi should be addressed to State Veterans Affairs Commission, War Veterans Memorial Building, Jackson, Mississippi.

WEEKLY NEWS LETTER

By W. F. Bond, Commissioner, State Department Public Welfare

Through funds provided by the State and Federal Government, the State Department of Public Welfare gives aid to dependent children as well as old age assistance and aid to the blind. This aid is given in the form of cash assistance to the parent or other close relative for a dependent child. A dependent child is one who is in need because of the death of his father or mother, or because of the sickness or continued absence from home of either his father or mother.

The child must be living either with one of his parents or with a close relative. The help will be given for the child until he is sixteen or until he is eighteen if he re-

SING IN PRODUCTION "THE BARTERED BRIDE"

BETTY JOYCE KEEL

RAY MARCHETICH

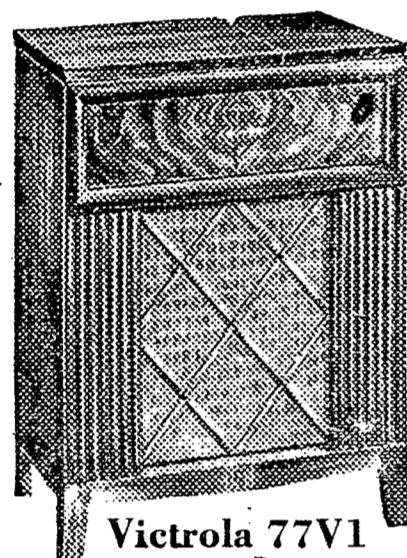

Betty Joyce Keel and Ray Marchetich, both of DeLisle, were two of the student soloists who sang in the production of "The Bartered Bride" by Smetana, presented at Mississippi Southern College recently. The opera was given by the Opera Workshop of the college under the direction of Frank E. Marsh, Jr., head of the division of fine arts of Mississippi Southern.

Miss Keel, the daughter of Mrs. C. G. Keel, is a junior music major at MSC. She is a member of Alpha Mu Chi and the Vesper Choir.

Mr. Marchetich, the son of Mrs. S. S. Marchetich is a junior voice major. He is a member of the Vesper choir.

The purpose of this program is to help keep families together and to prevent the break-up of the homes because the families lack sufficient money to care for the children. The amounts which can be given for needy, dependent children are set by law and are small, but are helping many families over the state. Applications are made in the welfare department in each county.

NATURAL GAS Highway...6,000 MILES LONG

There's a 6,000-mile "highway" following the route of our natural gas transmission lines...a pipe line right of way that toils up and down hills, through forests and swamps, across roads, lakes and rivers. And always this right of way must be kept accessible to repair crews. United Gas workers wage a continual battle with Nature to maintain this highway under which moves the fuel that serves hundreds of towns and industries of the Gulf South. Maintenance of right of way is only one of many functions of the United Gas organization...all of which have the ultimate purpose of assuring a continued dependable supply of natural gas to our customers.

UNITED GAS

Serving the Gulf South

Bulldozers clear the right of way for construction workers, opening up a path for United Gas pipe lines.

In heavily wooded areas, trees must be felled, the stumps blasted and the earth smoothed before pipe lines can be laid.

But long after construction is ended, maintenance men must keep the right of way open for travel by repair or inspection crews.

Motorists Reminded To Deduct State Auto Levies In Computing Federal Income Tax

Jackson, Miss., March 5, 1949—Mississippi motorists computing their Federal income tax were today reminded that they can deduct their payments of the 6 cents a gallon State gasoline tax and State motor vehicle registration fees of last year. This reminder was issued by Walter D. May, Executive Secretary—Attorney of the Mississippi Petroleum Industries Committee.

Although Mississippi motorists actually pay a tax of 7½ cents on each gallon of gasoline, the Federal gasoline tax of 1½ cents a gallon is not deductible for income tax purposes, he added.

For the average State motorist, the Federal income tax deduction for State gasoline payments in 1948 will amount to about \$37.00, he said, but for those whose use of the highways is above average the State gas-

oline tax payment deduction will be considerably higher. As examples of those who should have a much higher deduction he cited physicians, real estate agents, farmers, commer-

The above-pictured window display of the Bay Mercantile Company won third place in the 1949 National Crochet Week Contest in the Independent Variety Store Classification. Mrs. Bessie Cuevas did the crocheting and decorated the window, Mr. Ososnach said. There were thirteen entries in the group which speaks well for the local store. Congratulations go to Mr. Ososnach for entering the contest and to Mrs. Cuevas for her work. A letter to the Bay Mercantile Co. from the National Needlecraft Bureau, Incorporated, says "We sincerely appreciate your interest in entering the contest and know that your window contributed greatly to the success of National Crochet Week."

Soil Conservation News

By J. L. Bishop, Soil Conservationist

Mr. J. P. Moran, farmer, residing in Kilm Community, Cooperator of Hancock County Soil Conservation District is busy thinning his woodland for an improvement cutting.

Mr. Moran requested personnel from Hancock County District office to assist him to mark the trees to be cut. Assistance was granted and Mr. Charles E. Bryan marked the deceased, limby, forked and scared-faced trees. Straight trees with a well formed top were left, sufficiently spaced, to grow for a future harvest.

Mr. Moran sold the marked trees to Mr. Jack Lott, local pulpwood buyer, for three dollars per unit on the stump. Mr. Lott is exercising precaution to see that the wood cutters protect the fence around the woodland and keeping fire out.

Approximately six to eight units of pulpwood, per acre will be cut from the woodland, leaving a sufficient number of well formed trees, to grow into poles, piling and sawlogs. Within twelve to fifteen years, after the timber improvement cutting is completed the three-volume growth, per acre, will double. At this time Mr. Moran will mark trees to cut for another harvest.

Check Expiration Date Of Your Drivers License Says Colonel Birdsong

Colonel T. B. Birdsong, Commissioner of Public Safety, states a number of Drivers Licenses will expire March 31, 1949 and suggests if your license expires on this date get them renewed now and avoid the rush. You can get your license renewed at any Sheriff's office or City Clerk, or at Patrol Headquarters 2550 N. State St., Jackson.

Says Birdsong further, "if you should mail in for your license be sure and send \$1.00 as the license is now good for two years and the fee is \$1.00."

"We hope everyone will keep their Drivers License current as we do not want to give any tickets for expired Drivers Licenses. However, an expired license is the same as no license at all, and if you are stopped by our officers and your license has expired, he has no preference but to give a ticket."

METHODIST YOUTH FELLOWSHIP HAS INTERESTING PROGRAM

The Methodist Youth Fellowship gave a most interesting program at its meeting on Sunday afternoon March 6, at the church.

The program opened with a sacred song directed by Miss Sue Smith and Miss Myrtle Cook read the scripture lesson. Mrs. T. H. Tabb gave the opening prayer.

A touching and instructive poem was read by the guest speaker, Mrs. Tabb, entitled "The Drinking House Over the Way."

The MYF has four commissions: Community Service; World Friendship; Recreation; Worship and Evangelism. Each Commission has its chairman and they are in order, Martin Noto, Billy Burrow, Hilton Smith, Bryan Register.

An invitation is extended to any of the youth groups to join the fellowship or to attend any of its meetings as a visitor.

N. C. C. W. MEETING

At the meeting of the National Council of Catholic Women, held in Pass Christian on Wednesday of Bay St. Louis, Father James J. Curley and Father Thos. Hayes of Pass Christian; Mrs. George Guilbault, Deansy president; Mrs. M. Hoffman, Diocesan president and representatives from Gulfport, Long Beach, Pass Christian and Bay St. Louis units. Msgr. Gmelch opened the meeting with a prayer.

The National president's message was read, as was that of the Diocesan president.

Minutes were read; treasurer's report given and the reports of the respective units.

A letter regarding the dire need for Foreign Countries was discussed, the ladies were asked to contribute.

Mrs. George Guilbault stated there would be Retreats for women, during the summer at St. Margaret's Daughters home.

Mrs. Roger Boh announced Mr. J. L. Crump's Gardens, known as Holly Bluff, will be opened to the public this week end. The proceeds will be given to the Red Cross Drive.

Msgr. Gmelch suggested that the members start a Spiritual Bouquet to be presented to His Excellency, Most Rev. R. O. Gerow on his Silver Jubilee, in October.

Father Curley answered the questions asked from the floor and gave a concise and interesting talk.

A lovely potted plant was the afternoon prize. Because of Lent, no refreshments were served. The meeting closed with a prayer by Msgr. Gmelch.

At the completion of the tour the group returned to the home of Mrs. Russ and voted for the gardens, and the winners were Mrs. A. R. Moran for best garden, Mrs. John Neale, pot plant winner.

Those attending the tour were besides those named Mesdames Chas. Peterson, Ruth Miller, John Erskine, Bertha Luxich.

Mrs. Anne Perrin Couturie Died Suddenly Monday

Funeral services were held here on Wednesday for Mrs. Anne Perrin Couturie, 64, who died suddenly at her home 247 St. Charles Street on Monday, March 7, at 6 a. m. She was the widow of the late Felix Couturie of New Orleans and had resided in Bay St. Louis for a little over a year.

Mrs. Couturie lived alone with the exception of her young grandson, Russell Flannagan and it was said that at 5 a. m. she awoke with a pain in her chest and a little later was discovered on the floor by her grandson. She died before medical aid could be summoned.

She was a member of one of the old families of New Orleans and those who knew her speak of her happy bright outlook on life.

Services were conducted at the Fahey Funeral Home by Rev. C. R. Johnson, Rector of Christ Episcopal Church and the body was taken on Wednesday afternoon by hearse to New Orleans for interment in Metairie cemetery, at 4:30 p. m. with services by Rev. Robt. H. Manning.

Mrs. Couturie is survived by a daughter Mrs. Emma C. Flannagan of New Orleans; a son Felix P. Couturie of New Castle, Delaware and a grandson Russell Flannagan.

ANNUAL VISIT BY BROTHER GILBERT

Jack Dresher

On February 17, Brother Gilbert, S. C. Provincial of the Brothers of the Sacred Heart, visited Stanislaus for his annual stay. He stayed for a week with the intention of observing the classes from academic, disciplinary and material point of view.

He commented on the wonderful friendliness of the students, the splendid school spirit, and the good work they are doing in studies and other activities.

On December 8, he returned from the schools in the British East Africa missions. He spent three months there touring the 4 schools and discussed future plans with the fourteen Brothers there from the United States Province.

He is beginning his Third year as Provincial and has showed wonderful work in this short time. He has his headquarters for the Southern District at St. Aloysius, in New Orleans. The Headquarters for the Northern District is at Metuchen, New Jersey, where is located the House of Studies for candidates for the Order. With the many offers to staff new schools the Brothers need more vocations.

We all enjoyed Brother Gilbert's visit and hope that he will return again next year.

Rev. John T. Dearing Attends Evangelistic Conference

Rev. John T. Dearing returned Friday from Columbus where he attended the Mississippi Baptist Evangelistic Conference which was in session March 1-4.

The purpose of the Conference was an Evangelistic course for pastors and religious workers and Mr. Dearing said there were about 800 ministers in attendance. Methods and procedure for Evangelism were studied and propounded, he said.

The course consisted of inspirational workers. The inspirational messages were brought by the pastors of the state and laymen. The outstanding speaker was Dr. W. A. Criswell, pastor-evangelist of the First Baptist Church of Dallas, Texas, the largest Baptist Church in the United States with a membership of 8,000.

Another outstanding speaker was Dr. C. E. Matthews of the Evangelistic Board of the Southern Baptist Convention.

There was a large attendance for each service, Mr. Dearing said, because the conference drew outsiders from Columbus and a good number from Alabama.

Mr. Dearing considered it a great privilege to have attended the conference and returned with new zeal and impetus for his work here.

Young Women of MSCS Meet

The Young Womens Circle of the Womens Society of Christian Service held its March meeting on Tuesday night at the home of the president Mrs. L. A. Rogers with a full attendance and several visitors.

The program consisted of the review of Douglas' "The Big Fisherman" by Rev. John T. Dearing who had been asked to give this second review for this circle.

The business session was held preceding the review.

Rat Poisoning For Typhus Control Ended

The distribution of rat poison, in the Typhus Control Campaign for Hancock County ended last Monday, and was considered very successful by health authorities.

Poison was distributed in Bay St. Louis and Waveland by supervised personnel, and all residences and business establishments were visited.

The poisoning program is to be followed by DDT dust in business areas beginning April 18 and continuing until finished.

Preview to the first dusting and poisoning campaign in 1947, there had been 66 cases of Typhus Fever reported in Hancock County. Since the control program was started, no cases of Typhus have been reported.
